## Princess and Empress Dressers

Hulda says: "If there is anything I do enjoy it's to sit in front of one of those Princess or Empress Dressers and arrange my toilet. I don't wonder at some ladies spending so much time in front of one."

We've been unusually fortunate in our selection of Dressers this season. Never have they been quite so handsome in design and finish, nor have we been able hitherto to quote such low prices for like quality and style. There are three styles of finish in vogue—Birdseye Maple, Mahogany and Golden Oak. They have long French bevel mirrors, serpentine fronts and tops and are trimmed in solid brass handles. We have a perfect dream at \$16.50. Your inspection is solicited.

## Bring in Your Wife!

Any man that is fortunate enough to have a wife will do well to bring her along when ready to select his Fall and Winter Suit. We extend her a personal invitation. A woman's eyes see and appreciate the quality of fabrics, the accentuated point we call style, the excellent tailoring, the artistic touch and the care we give details and the cut. Men know whether they like the general style and feel of the fabric when they put on a Suit and, after they have worn it, the tailoring and look of the Suit. But a woman will know at a glance just what you are getting, how it becomes you and how well it is worth the price—no matter what grade of Suit you buy. Suits for \$10.00, \$12.00, \$15.00, \$18.00 to \$25.00.

We Clean, Press and Repair Clothing.

## YOU KNOW, DO YOU NOT

That a large per cent of the families in this county use the "Green Mountain Brand" Hams and Smoked Shoulders? You know why they use them, of course? Well, it is just this: When a woman finds a place where she gets the kind of meat that pleases her whole family, where she receives good treatment, where all her complaints receive prompt attention—and, withal, where she is made to feel that she would like to trade again—she is going to trade there right along. When she asks for Ham or Shoulders there they, of course, give her their celebrated "Green Mountain Brand," which is the only Brand they carry.
